SCIENCE FACTOR EUROPE Competition 2020 *For School Students of age 9-18*

RESULTS OF VIDEO EVALUATIONS

The Organizing Committee of the EUROMATH & EUROSCIENCE 2020 Conference announced the results of the SCIENCE-Factor Europe Competition 2020.

Due to the Covid-19 pandemic and the cancellation of the EUROMATH & EUROSCIENCE 2020 Conference by the Greek authorities, the oral presentation and assessment part of the competition could not be completed. Therefore, the Organizing Committee decided to give the chance to the SCIENCE-Factor 2020 finalists to complete the 2020 Competition online. Student finalists were given the option to submit an improved video of their presentation for the Competition. Only the finalists who completed their registration in EUROMATH & EUROSCIENCE 2020 were eligible to participate in the online finals.

A jury, appointed by the EUROMATH & EUROSCIENCE 2020 Organizing Committee, assessed the videos online and announced the SCIENCE-Factor Europe 2020 winners.

The winners of the SCIENCE-Factor Europe 2020 Competition, are:

1st prize:

SF7 – “Carbon Dioxide, a distinguished guest!” - Christos Tapakoudis, Gymnasium Dianellou and Theodotou, Cyprus

2nd prize:

SF13 – “The Earth is thirsty” – Federica D’Agnese, ISIS Europa, Italy

3rd prize shared between:

SF15 – “The world from a different perspective (Spacetime in a nutshell)” – Christiana Kosta, Vergina Lyceum, Cyprus,

and
